

A LITTLE GAME MADE FOR MY GIRLFRIEND

RayBee: Co-op Mode

I made a little game from the memories we have already created. This level only starts when you arrive.

Scan to start our next chapter.

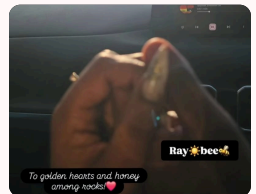

<https://rayfrank.github.io/raybeegame/>

Player one + player two

My favourite co-op team.

Everything is better with you.

A FEW BEAUTIFUL LEVELS WE HAVE ALREADY PLAYED

For Bee, with love from Ray.
